

SAVE MONEY ON YOUR CREDIT CARD PROCESSING AND HELP SUPPORT ALL PRO PASTORS INTERNATIONAL

ABOUT THE PROCESSING WITH A PURPOSE PROGRAM

Processing With A Purpose is a unique opportunity for business owners to save money on their credit card processing while developing ongoing support for the **ALL PRO PASTORS INTERNATIONAL**. All you have to do is switch your merchant services provider to Cornerstone Payment Systems and Cornerstone will lower your rates and make recurring donations to **ALL PRO PASTORS INTERNATIONAL** on your processing volume.

Committed to Separating our Merchant Processing Services by putting integrity, partnership, and respect at the heart of our Business.

Over 50 Years of Combined Credit Card Management Experience

Easy to Process Transactions. Simple Accounting. Detailed Reporting

Cornerstone Payment Systems developed the **Processing With A Purpose** program to provide non-profit organizations with a passive way to generate ongoing contributions. Participating organizations simply introduce the program and the participating businesses will be offered credit card processing services guaranteed to reduce their current processing fees. Once a merchant switches their merchant account to Cornerstone, our organization will begin receiving revenue based upon their referred merchants credit and debit card processing. This revenue has actually been shown to increase annually, as the merchants processing grows. The donation revenue generated will be enjoyed by the organization for as long as the merchants process their credit cards with Cornerstone Payment Systems.

OUR GUARANTEE

Businesses and non-profits that participate under the **Processing With A Purpose** program, are guaranteed to be offered a lower processing cost than their current processor. They need two recent merchant statements in order to provide a free analysis for this guarantee. If **Processing With A Purpose** is unable to reduce the processing cost for a referred merchant, they will pay the **Processing With A Purpose** referring partner \$500.
